

Outreach pilot last weekend was good.

No applications came in for the Nigeria boat lifting system. Deadline extended another week from today.

Research team contacting HODs - Electrical department showed interest

Sha-la - Facebook group done, tickets done, posters, some, more to come.

- Volunteers to sell tickets at hawthorns a week before the event needed.
- Also volunteers to sell at the door on the night itself.
- Library could sell too perhaps
- Hall reps to sell at respective halls. Baddock and Wills' reps came up.

Event/talk for placements/bursaries possibly to be slotted into Sally Guscott's talk on 12 Feb.

Publicity group – need some posters up.

BIDU - Online calendar to hold talks/events information from all participatory society members will be posted. Talks/events open to all.

Sustainability Development – again this Thursday a lunch meeting. Open too all this time.
